To whom it may concern:

I am a Sales and Marketing Manager working in Hong Kong. Both my husband and myself have decided to immigrate to Australia under skilled migration for a better quality of life and good education for my children.

After searching for an Australia government registered immigration consultant in Hong Kong, we finally selected John Hu of John Hu Migration Consulting (MARN 0746141) to process my skilled migration visa to Australia as John has many years of successful experience in processing various types of Australia immigration visas including skilled, business and family categories.

I was guided through the whole process by John Hu and his professional team in completing my skills assessment by the Australia Institute of Management, state nomination and visa applications. John and his staff helped collate all my supporting documents and completed all my application forms.

I received my visa grant notice for my family in December 2018.

I have enjoyed my customer experience with John Hu Migration Consulting. I would recommend John Hu Migration Consulting to another visa applicant who has decided to immigrate to Australia.
