To whom it may concern,

My husband and I started to explore immigration to UK or Australia in summer 2017 and we discussed with few immigration consulting firms in Hong Kong.

After discussed few times with John Hu and Serene Chan, we felt they are the most reliable and experienced among those we consulted. Therefore, we decided to select John Hu Migration Consulting to help us applying the UK Tier 1 entrepreneur visa.

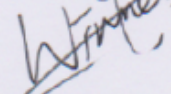

With the guidance by John Hu, his professional team and their UK lawyer and business consultant, we collate all supporting documents, complete all application forms, health and police checks till the visa application is completed.

We lodged our application in late January 2018 and our Tier 1 application was granted in early March 2018 – within 2 months.

We thank JHM for their professional advices and services to guide my family step by step in preparing for our visa applications. We believe they are committed and competence in their services.

I have no hesitation in recommending John Hu Migration Consulting to anyone who has decided to immigrate to UK. Indeed, I already recommended two friends to discuss with John and his team.

Best regards,

Mrs. Yiu
